ORDER:

Government have been reviewing the seasonal conditions from time to time for taking up relief activities in the State in view of prevailing drought conditions. District Collectors have stated that Certain Mandals in their districts received scanty / deficit rainfall with dry-spells resulting in reduction of sown area and moisture stress to the crops sown. The deficiency in the rain fall is resulting in demand for employment in non-farm sector. Certain reports about scarcity of drinking water in some pockets of rural and urban areas are also being received. In some areas fodder problem is also being reported.

2] Accordingly, in the G.O.s first and second read above, orders were issued declaring 981 mandals in 22 districts as drought affected.

3] Keeping in view, the further reports furnished by the District Collectors, Government after careful examination have decided to declare the 87 mandals [as annexure-II] as drought affected duly relaxing the Para 1.5.8 of the Drought manual i.e. deficiency in rain rainfall as on 15.8.2009.

4] The District Collectors concerned shall ensure deletion of the notified municipal/urban areas and areas falling under permanent assured irrigation sources where the water is being supplied for crops from drought affected mandals though the purpose of drinking water only those areas also shall be treated on par with drought affected mandals. Urban mandals which are not declared as drought affected, shall be treated on par with drought affected mandals for the purpose of drinking water. The District Collectors shall issue notification in the District Gazette as mentioned in Annexure-I

5] The Collectors concerned are requested to take immediate further necessary action.

P.T.O.

6] The Commissioner and Director of Printing, Stationary and Stores Purchase (Printing Wing), A.P., Hyderabad is requested to see that the notification is published in the extra-ordinary issue of A.P.Gazette.

ANNEXURE-I TO G.O. Ms. No. 36,
REVENUE (DM:II) DEPARTMENT,
DATED : .12.2009
NOTIFICATION

In the circumstances reported by the respective District Collectors, the Government declare that drought exists during the current year 2009-10 in the mandals annexed to this order. The concerned District Collectors are requested to take necessary further action and notify the specific mandals/specific areas in the mandal in the District Gazette to enable farmers to avail credit facilities and to take up relief operations. The concerned District Collector shall ensure deletion of the notified Municipal/Urban areas and areas falling under permanent assured irrigation sources where water is being supplied for crops from drought affected mandals though for purpose of drinking water only they shall be treated on par with drought affected mandals.

The concerned District Collectors are requested to furnish (10) copies of the District Gazette Notification to the Government.
